Drum Replacement

Part number	Description
326.1016ST	Complete replacement planer drum inc. TCT heads

TCT Cutters

Part number	Description
320.7009	TCT cutter - 123 per set

Washers

Part number	Description
320.4160	Spacer - - 129 per set

Dust Extraction

Many of our products are dust extraction ready so can be directly connected to your dust extraction unit. Other tools in the range require an optional dust extraction shroud. Using dust extraction not only creates a cleaner safer working environment, but will extend the life of the cutter or grinding media & increase the speed a work area is completed.

REPAIR & SERVICE DEPARTMENT

From the Yokota UK service centre at our Sheffield head office we are able to offer you full service, repair & preventative maintenance.

- FREE no obligation quotations
- 3 month comprehensive warranty on all work carried out
- Fully traceable repair history through our quality management systems
- Only OEM spare parts used
- Complete maintenance advice service
